## CREW Strolling Science Seminars

CREW's Strolling Science Seminars are a series of six half-day scholarly hikes for adults at the CREW Trails. Each seminar engages you in citizen science on a specific topic related to the watershed and wildlife of CREW. Seminar leaders are experts in their fields. Gain in-depth knowledge, hands-on field experiences, and get access to online resources.

You'll be able to go home and engage in a citizen science project of your choosing. Register for one or all six seminars. **Participants who complete all six will receive a certificate.** Seminar hours: 9:00 AM – 12:00 PM

Fee per seminar: \$10 CREW Members, \$15 non-members, or for the whole series \$50 for CREW members/\$75 non-members
